Dear **MS. ENCARNACION**,

I would like to submit our company's report on Foreign and Local ownership. Attached is a letter from our Stock Transfer Agent indicating the following information:

Issuer	: Easycall Communications Philippines, Inc.
Foreign Shares	: 31,383,163
Local Shares	: 118,616,837
Total Outstanding	: 150,000,000
Allowed Foreign	: 60,000,000

I tried using the "Submit Shares Information" via ODisy but the information indicated that Easycall has Total Outstanding shares of 103,429,975. When I tried to post the difference as local unlisted shares, I always get an error. I am attaching both screenshots with this letter.

I would like to get guidance on how to rectify and submit our updated information via ODisy. In the meantime, this shall serve as our report on Foreign and Local ownership.

Very truly yours,
